

Ribbon Cutting Ceremony marks opening of Ascent Contracting

HUDSON, WI. – October 2, 2008, Ascent Contracting marked its official opening with a ribbon cutting ceremony at the Towerview Business Center located at 2365 Willis Miller Drive, Hudson. The event was attended by Hudson area chamber ambassadors, leadership of the residing businesses and members of the media.

"We are very excited to offer this state-of –the art building to the Hudson market," commented LouAnne Reger, CEO, Ascent Contracting. Towerview Business Center, built by Ascent Contracting, opened the spring of 2008.

The \$4 million facility offers 40,000 square feet of leasing space perfect for office, showroom or warehouse. Conveniently located in the St. Croix Business Park development, Towerview Business Center is Hudson's newest commercial space located just two miles off I-94 at Exit 3.

Current tenants of the new facility include J&L Steel Erectors, Ascent Contracting, Ascent Group, Energy Concepts and LHI Technologies. The Center, located in the St. Croix Business Park development, Hudson's newest commercial space, is located just two miles off I-94 at Exit 3.
